‘I Am Judit’ Screens at LTV

 Staff Writer on Oct 30, 2023

On Saturday, November 11, at 6 p.m., LTV Studios in Wainscott presents a screening of “I Am Judit,” a new film by Hamptons Bays filmmaker Christiane Arbesu. The documentary tells the story of 91-year-old Judy Sled, a Holocaust survivor and longtime resident of East Hampton. In the film, Sled lifts the veil of secrecy surrounding her harrowing childhood — a painful truth she’s never even shared with her own children until the making of the film. The past is juxtaposed with the present and viewers come to experience the magnificent light that is Judy Sled.

The film has won numerous awards at various film festivals and the screening is free.
