

DIGITAL VIDEO FILE SUBMISSION GUIDELINE

Below you will find the video codecs that our servers support for broadcast. If you are submitting a digital file to us via email or other means, please make sure your video file(s) match one of the three codec specs listed below. If you have questions regarding our codec requirements, please call us: 631.537.2777.

Supported Codecs	File Extension	Profile	Level	Frame Size (W x H)	Frame Rate (FPS)	Audio Codec	PCM Audio Bits Per Sample	Audio Sample Rate
